2nd Women Dentists Leadership Conference

"Women Dentists between Ideal and Realities of Personal and Professional Life"

For the first time in Russia, the 2nd Women Dentists Leadership Conference "Women Dentists between Ideal and Realities of Personal and Professional Life" will be held in St. Petersburg, at the EXPOFORUM Exhibition Center on May 12-13, 2020.

More than 500 delegates will take part in the conference. About 300 participants from around the world and about 200 from Russia are expected. The exhibition "Stomatology St. Petersburg" will be held alongside with the conference. Annually the exhibition attracts more than 100 participants and 4000 visitors.

The conference "Women Dentists between Ideal and Realities of Personal and Professional Life" is your unique opportunity to join the largest community of dentists and likeminded people. Among them, you will meet outstanding women leaders, who play an exceptional role in the development of science and health, occupy chief positions and balance a successful career with an active social life.

The conference will introduce new methods to be implemented in the field of dentistry. It will serve you as a platform for extended education and will help you to find a necessary balance between successful professional and personal growth.

The conference programme will start with a plenary followed by four parallel sections, a poster session and several training workshops. The conference programme is tailored to fit your expectations and will include a gala dinner, networking and excursion. The organisers also offer an interesting cultural and entertainment program for accompanying persons and family members.

Organisers: Women Dentists Worldwide Section (FDI) and Russian Society of Periodontology. International Exhibition Company MVK will act as an official operating company of the event. Women Dentists Worldwide Section (FDI) coordinates the activities of national groups; assists in the collection of the information about women dentists and their models of work; assists in eliminating inequality where it exists; helps in establishing contacts between women around the world and their active participation in all profession areas.

Our meeting in St. Petersburg will help you to refine your ideas. Here you will hear about the latest research and meet your academic heroes. You will increase your leadership abilities, sharpen and gain new skills. This conference will definitely encourage, motivate and inspire you.

The weight of leadership can be heavy so attending a conference can allow you to be refreshed and renewed! St. Petersburg is truly one of the greatest cities in Europe. Historic palaces that were once home to Russia's ruling czars. Breathtaking architecture. A thriving arts and cultural scene. You'll be enthralled by the uniqueness of St. Petersburg as well as the people and nightlife.

We look forward to meeting you in St. Petersburg!
